

MORBARK® 20 NCL Chiparvestor

BENEFITS

- Morbark Integrated Control System allows for diagnostic monitoring to reduce down time.
- Built in a quality-driven factory by highly experienced personnel.
- Long lasting, durable machine that holds its value.
- Backed by a world class parts and service support team.

Morbark Integrated Control Systems
The ultimate diagnostic system; monitors hydraulic pressures, temperatures, clutch systems and engine efficiency while automatically adjusting to maximize performance.

Feed System
Powerful multi-wheel system provides positive feed of logs and tops for excellent chip quality.

Stabilizers
Four stabilizers provide a solid stance during chipping operations with the optional bolt-on rear stabilizers.

Discharge
Hydraulic powered swivel and telescoping chip discharge spout with transition for maximum chip loads.

SPECIFICATIONS

Note: Specifications may vary with equipment options

03042011

GENERAL

Length.....	28'8"
Height.....	11'3"
Width.....	8'6"
Gross weight.....	36,560 lbs.
Tongue weight.....	9,600 lbs.
Axle Weight.....	26,900 lbs.
Engine.....	CAT, Cummins, or John Deere
Horsepower.....	325-500 HP
Fuel capacity (tank).....	190
Hydraulic oil capacity.....	170
Chipping capacity.....	18"
Tandem axle trailer.....	36,000 lbs. suspension
Morbark Integrated Control System	

EQUIPMENT HIGHLIGHTS

Infeed system consisting of one 30" diameter top compression feed roll with internal drive and one 13" diameter bottom feed roll with internal drive
Hydraulic powered hood and stabilizers
Hydraulic powered swivel and telescoping chip discharge spout with transition constructed of wear form steel
58" Chipper disc

ADDITIONAL FEATURES

Wireless remote control with a 60' tethered remote back-up system for chipper operation. Tethered functions include forward/reverse of feed works, up and down of top feed roll, operation of chip discharge spout, throttle, E-Stop, warning horn and fan purge, and feed stop

OPTIONS

Light package
Bolt-on rear stabilizers
ESPAR heating system for cold weather start
Air compressor
Reversing Fan
3' Tongue extension
