Working a 3rd shift, the equipment painter position will be responsible for appropriately applying paint to all finished parts requiring paint. All Painter positions will be expected to recognize, understand, and perform to Morbark paint standards.

DUTIES AND RESPONSIBILITIES

- Select appropriate coatings, paints, or sprays, or prepare them by mixing substances according to formulas, using automated paint mixing equipment
 - Make sure all equipment is cleaned and properly prepped before painting
 - Read and understand formulas and follow written and verbal directions
 - Complete start-up and shut-down process on the paint line
 - Disassemble, clean, reassemble, and maintain painting application equipment
 - Follow departmental objectives, standards or directions
 - Perform routine maintenance on painting equipment
 - Adhere to safety, quality, inventory and production guidelines
 - Follow company policies and procedures
-

MINIMUM REQUIREMENTS

- High school diploma or equivalent
 - Urethane or automotive experience
 - Two (2) to three (3) years of paint line experience
 - Ability to handle both basic math and print reading
 - Ability to use a tape measure
 - Ability to measure and mix paint
-

PHYSICAL REQUIREMENTS

- Ability to lift a minimum of 50 pounds from floor to chest to high shelving
 - Ability to perform frequent postural changes such as sitting, reaching, climbing, standing, walking, lifting, stooping and twisting
 - Ability to see details at a close range (within a few feet) and judge which of several objects is closer or further away
-

NOTE:

This job description is general in nature and is not designed to contain or to be interpreted as a comprehensive inventory of all duties, responsibilities and qualifications required of employees assigned to the job.

JOB SPECIFICATION: 3rd Shift Equipment Painter
