FOR IMMEDIATE RELEASE

Morbark® Expands Worldwide Dealer Network

Winn, Mich. (April 4, 2019) – Morbark®, a leading manufacturer of forestry, biomass, recycling, land clearing, sawmill and tree care equipment, recently added five companies to its worldwide dealer network for tree care products, including Morbark brush chippers and Rayco stump cutters:

- BrenCo Equipment Supply & Technology, LLC, with four locations in Utah and Wyoming
- Edge Equipment, Ltd., in Edmonton, Alberta, Canada
- L.F. George, Inc., with three locations in Wisconsin
- RPM Machinery, LLC, with four locations in Indiana
- Saw House, Inc., in Houston, Texas

BrenCo was formerly a Boxer distributor and has added the Morbark tree care line to its offerings. Their area of responsibility for Morbark and Rayco products is the state of Utah, as well as Lincoln, Uinta, and Sweetwater Counties in Wyoming.

Edge Equipment is the exclusive Morbark and Rayco tree care dealer for the province of Alberta, Canada.

L.F. George represents the Morbark brush chipper and Rayco stump cutter and forestry mulcher product lines in Wisconsin and the western portion of Michigan's Upper Peninsula. They also sell Rayco forestry mulchers throughout Minnesota, Iowa and portions of Nebraska and South Dakota.

RPM Machinery sells the Morbark brush chipper and Rayco stump cutter lines on a non-exclusive basis in Indiana.

Saw House is the exclusive Morbark and Rayco tree care dealer for Chambers, Harris, Montgomery and Walker counties in Texas.

“We’re growing our network to ensure we have the industry’s best customer support, delivered locally by knowledgeable and reputable local dealers,” said Casey Gross, Morbark Director of Tree Care Products. “It is important the companies we partner with continue to raise the bar and provide the high-quality customer service that people expect from Morbark.”

About Morbark:

Morbark, LLC, based in Winn, Mich., has been innovating and manufacturing durable, high-performance equipment for more than 60 years. Morbark’s family of companies and equipment helps customers to process and convert waste wood and other organic materials into sellable end products. The Company and its affiliate brands, Rayco, DENIS CIMAF, and Boxer Equipment, produce a full line of brush chippers, stump cutters, mini skid steers, forestry mulchers, aerial trimmers, whole tree, and biomass chippers, flails, horizontal and tub grinders, sawmill equipment, material handling systems, and mulcher head attachments for excavators, backhoes, and skid steers. Sales and aftermarket support are conducted through a worldwide, authorized dealer network. For more information, please visit www.morbark.com.
