

# New Government Financing Program

If budget is ever a concern for your **Morbark** purchase, you can now take advantage of a new government financing program through **National Cooperative Leasing (NCL)**. NCL is the only NJPA awarded contract vendor offering government financing programs to the cooperative membership.

Here are just a few benefits of this program:

Features	Benefits
NJPA awarded contact for government finance programs	<b>No RFP paperwork!</b> NJPA has performed the competitive bidding process for the equipment and the financing on your behalf. You get the best product at the best finance rates!
Flexible payment schedule	<b>Budget calendar alignment.</b> Receive the equipment now and align payments to match the budget calendar. <i>Push out 1<sup>st</sup> payment up to a year!</i>
Tax-exempt municipal purchase	<b>Offers immediate ownership with a budget friendly payment schedule.</b> <i>This municipal only program combines the benefits of a low monthly/yearly payment of a lease and the product ownership of a loan.</i>

The power of cooperative purchasing now stands even stronger. You can purchase the highest quality wood processing equipment in the industry with a competitively bid **Morbark** contract and finance your new purchase with a competitively bid government financing program through **NCL**.

**Morbark and NCL are awarded NJPA contract members**
